Good day Rowan,

Your email below is noted with much appreciation.

I was not aware that you had already responded to the issues. I remembered that I had not sent it to you as promised and then proceeded to forward it before reading the trailing email.

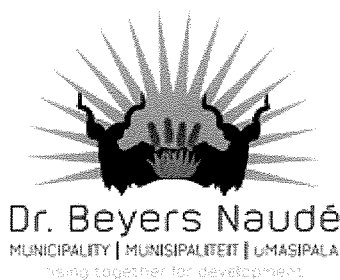

You may now formally submit the application. As agreed initially, the application will be advertised on the Advertiser in English and in Afrikaans. Also, a notice will be erected on site together with the letters sent to the adjoining neighbours within the applicable radius around the site.

I trust you find the above in order.

Kind regards,

NDUMISO CAMNGCA (Mr), TRP (SA), BTECH
